Applicant Declaration

Certification

Applicant Declaration

Help / InstructionsCollection of personal informationThe University of Waterloo will use personal information collected on this application to make decisions related to admissions.Once satisfied that your information is accurate read the following Applicant Declaration and input your name instead of a signature:Information and materialsI certify that the information and documents submitted in or with this application or to be submitted (all of which constitute the application) are accurate, complete and correct and that all information relevant to a decision on the application has been disclosed.Changes to my applicationI understand that it is my responsibility to keep the University of Waterloo informed of any appropriate changes to my information or application materials occurring between the date of submission of my application and my registration. I agree to do so immediately after any such changes happen.Immigration statusI confirm that the information provided regarding my citizenship and status in Canada is correct.Study permit applicationsThe University of Waterloo may verify your letter of acceptance (LOA) for Immigration, Refugees and Citizenship Canada (IRCC) and may provide information about you necessary to support the integrity of the study permit application process. By applying for a study permit to attend the University of Waterloo, you authorize the University to validate information about you and your LOA with the IRCC.Scholarship EligibilityI accept that the University of Waterloo may use the information in this application and its supporting materials to determine my scholarship eligibility, selection, and award if I am admitted to a graduate degree program.University admission policies and proceduresI agree that my application constitutes my acceptance of the admission requirements, policies, procedures, and methods by which applicants are chosen.Verification and DisclosureI authorize the University of Waterloo to verify any information provided in this application and to collect, use and disclose my personal information for conducting a background check relevant to this application.False, misleading information or misconductI understand that the discovery of any information which has been concealed or that any given information is false or misleading could invalidate my application. This will result in an immediate rejection of my application or the revocation of my admission, financial support, and registration if I have been admitted.I accept that information on misconduct or falsified documents will be shared with universities and colleges across Canada and law enforcement agencies where appropriate, and in the case of international admissions, with Immigration, Refugees and Citizenship Canada (IRCC).Help | Select your Program* Required field*In place of your signature, please type your full legal name:Once you are satisfied that your application is complete and you have read and agree to the Applicant Declaration, please type your name in the "signature box" and submit your application.Close
